Find a doctor or provider in your plan

It's easy to check online

The right doctor can have a positive impact on your health and well-being — and choosing one in your plan can save you money. Using our online **Find Care** tool, you can check if your favorite doctor is part of your health plan or find a new one near you. If you choose to go to a doctor outside the network, you may pay more or your plan may not cover the visit.

If you need assistance, please contact your dedicated Anthem Health Guide team at **844-719-1794** Monday to Friday, 8 a.m to 8 p.m. ET.
