

# Alight Mobile app

To use the Alight Mobile app you will need to know your user ID and password for the **My Choice** enrollment website. Once you have your credentials please continue with the following steps.

STEP 1	STEP 2	STEP 3	STEP 4	STEP 5
				
Download Alight Mobile app from <a href="#">Apple App Store</a> or <a href="#">Google Play</a> .	Open Alight Mobile app, search for Safelite Group, and select them. Accept Cookies.	Enter your user ID then tap next. Followed by your password and then tap next.	Enter the access code that is texted to your mobile phone.	You should be all set.

## Your My Choice enrollment website credentials

### New users

- Go to [safelite.benefitsnow.com](https://safelite.benefitsnow.com)
- Select "New User?"
- Use the last 4 digits of your Social Security number and your date of birth to authenticate your account
- Create a user ID and password
- Create some answers to security questions to help authenticate your identity in the future should you forget your user ID or password
- If you need help, you can also call the **My Choice** Service Center at 844-315-3794 Monday through Friday, 8 AM to 8 PM ET.

### Forgot your User ID or Password?

To reset your password, go to [safelite.benefitsnow.com](https://safelite.benefitsnow.com) and click on the "Forgot User ID or Password" link and follow the prompts to reset your credentials.
