

Introducing a powerful suite of caregiving tools and resources for you and your family

Meet Wellthy, a tech-driven solution that helps you care for the ones you love, including yourself. Wellthy's Care Dashboard enables you to confidently plan, organize, and manage care — all in one place. Getting started is fast, easy, and available to you through Prudential's Financial Wellness program.

An easy-to-use digital platform

Care Plan Builder

You can leverage suggested tasks to formulate a plan and ensure that all of the variables of care are being considered.

Shared Calendar

The shared calendar makes it simple to coordinate schedules, add notes or reminders, and stay on top of appointments.

Medication and Contact Trackers

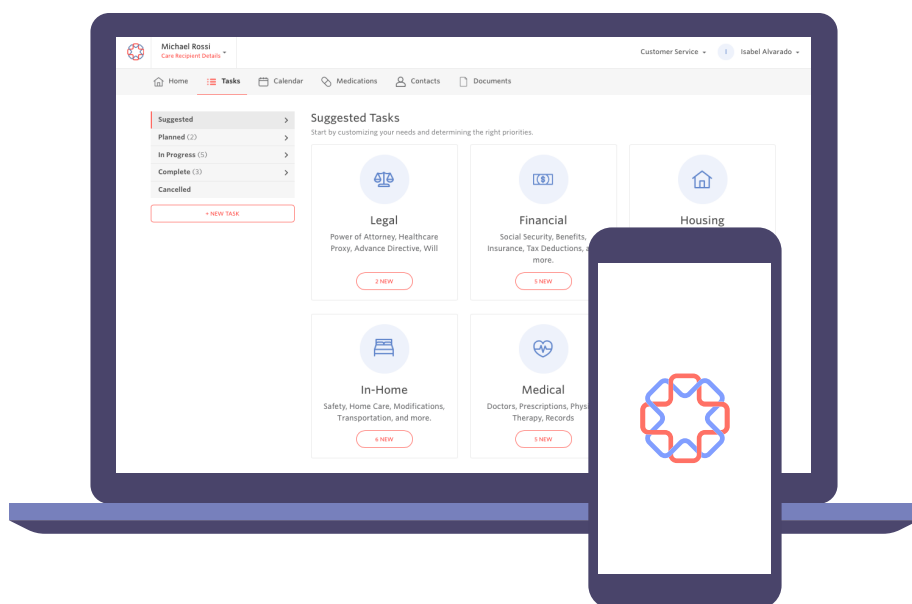

Wellthy's integrated trackers offer you and your care team the ability to store and manage prescriptions and contacts with ease.

Document Storage

Private, encrypted document storage gives you a safe way to centralize important documents and information.
