Once you register, you can log in* to the website or app for ...

Easy account access

Check your balance, research investments, and more—whenever you want.

Help making smart decisions

With our tools and education, we'll help you make the right moves with your money.

Our new, free online resource

Use **My Financial Wellness** for strategies that will help you manage debt, build emergency savings, and save for retirement.

More security—greater peace of mind

Whenever you log in from an unfamiliar device, Vanguard will send a unique code to your phone to confirm it's really you. You'll just enter that code to access your account. For even more security, you can get a code every time you log in, even if we already recognize your device.

Let's get started!

Scan this code or visit vanguard.com/register.

You can use your plan number: **094527**. If you also have an individual account with Vanguard, you'll need that account number, too.

Then, make your account your own

- Name your beneficiary.
- Complete transactions—and sign up to receive text message updates about them.
- Explore advice services offered by your plan.
- Turn off paper statements with e-delivery.
